BEEN DIVORCED?**

**LOST CUSTODY OF

**WELCOME TO
LIFE AS A
SECOND-CLASS
CITIZEN**

NCPForce! (Non-Custodial Parents Force!) is a grassroots organization fighting back against rights abuses in America's family law system. Our organization can help you take action against the system in ways your attorney can't.

Visit our website to report corrupt judges, rate your attorney, publicize abuse at your local child support agency, download bumper stickers and flyers to raise awareness, take part in developing class-action suits.

But don't wait -- come by today, and spread the word about us!
